

Presenting with Impact

Have you ever been nervous before a public presentation?

Then gain the presentation advantage with **Presenting with Impact**.

The ability to present and get your message across is a vital skill in today's competitive market. Gaining the edge over your competition or simply making sure your proposal has the maximum opportunity to get across the line can rely on your communication skills. This 2-day intensive course is designed to equip the participant and prepare them for all public presentation situations.

"You can have brilliant ideas, but if you can't get them across, your ideas won't get you anywhere."
Lee Iacocca

What you will learn

- How to present to teams, individual proposals, boards or potential clients
- Inspiring and motivating your audience
- Building confidence in public presentation
- Communicating with clear objectives
- Dealing with difficult audiences
- Using visual aids and technology
- Knowing how to structure and deliver your presentation
- Body Language, image and verbal management.

How is it delivered?

Presenting with Impact covers **four modules** of **three hours** each run over four weeks.

After each module the participant will be given workplace activities to practice and apply.

Who it's designed for

This program is designed for anyone who presents to management or stakeholders, teams or boards or, for those who present individual proposals. It will suit anyone who wishes to Inspire and motivate their audience. It is also great for people who need to build confidence and require a methodology for presenting.
