

The Assertive Communicator

*Releasing Your Confidence and Communication
Power*

Can You Relate to The Following?

- Struggling to voice your opinion in a meeting that is dominated by others...
- Trying articulate what you know in your head but find it difficult to express
- Or perhaps finding others clam up or don't say much when you're communicating?
- Feeling a lack of confidence to express your opinion freely
- Or even experiencing the extremes of claming up or blowing up...
- Or perhaps leaving the office *again* with an overload of work and wishing you had been able to say NO!!

If any of these describe your communication experiences then **'The Assertive Communicator'** could be exactly what you need.

The ability to be assertive and display the necessary confidence to gain the results and success we desire is not always that straight forward. We live in a world that is plagued by poor self esteem and personal image which has a direct effect on our ability to perform and reach our true potential. Discover the secrets to tapping in to your power and releasing your confidence to become the assertive person in your work environment that you have always wished you could be!
